

10 JUNE - SUNDAY

Arrival of participants, check-in, dinner

Meeting for working groups moderators 20:30 – 21:00

11 JUNE - MONDAY

BREAKFAST

9.00-10.00 Registration of participants

10.00-10.10 Welcome and presentation of the schedule – *Jan Skowronek*, Network Co-ordinator

10.10-12.00 Setting the context for ENVITECH-Net ctivities in Europe and Poland

10.10-10.40 6. Environmental Action Plan at a half-way point – *Janusz Jeziorski*, the Polish Ministry of Environment

10.40-11.00 Environemntal Technolgies Action Plan – ETAP, activities in Europe and in Poland – *Beata Michaliszyn*, IETU

11.00-11.30 Strategic Research Agenda – methods for carrying out SRA and pre-existing knowledge – *Janusz Krupanek*, IETU

11.30-12.00 Discussion

12.00-12.30 COFFEE BREAK, split into 4 thematic working panels:

RF1 Waste management technologies

RF2 Water resource management technologies

RF3 Air protection and GCC prevention technologies

RF4 Soil protection technologies

12.30-14.00 Panel works part I : presentations of network Members

Parallel presentations in each of the 4 panels comprises:

- short description of the core activities of an organisation
- research offer and needs of an organisation related to existing and developed competences, expertise and interest
- examples of cooperation with industry

RF1 Waste management technologies	RF2 Water resource management technologies:	RF3 Air protection and GCC prevention technologies:	RF4 Soil protection technologies
Różana Room, groundfloor	Tenisowa Room, level -1	Conference Room, level –1	Angielska Room, groundfloor

Moderators: dr Ireneusz Baic , IMBiGS Center of Wastes Management prof. Liliana Krzystek , Technical University of Lodz, Process and Environmental Engineering	Moderatorsy: prof. Wojciech Dąbrowski , Cracow University of Technology, Faculty of Environmental Engineering doc. Włodzimierz Ratajczak , IChP Industrial Chemistry Research Institute	Moderators: dr Janina Fudała , IETU Institute for Ecology of Industrial Areas mgr inż. Damian Kasperczyk ICh Institute for Chemical Engineering of Polish Academy of Sciences	Moderators: prof. Rafał Kucharski , IETU Institute for Ecology of Industrial Areas
--	---	--	--

14.00-15.00 DINNER

15.00-18.00 Panel works part II : identification of research issues and needs (groups and moderators mentioned above)

Moderated discusison in each panel group

- working out of a list of technological research trends based on presentations and discussions
- selection of the 3 priority trends

- (for at least 1 priority trend) definition of:
 - time horizon
 - scope of specific research needs (at least 3 items)
 - type of projects facilitating realization of the identified subjects e.g. research & development projects, implementation / demonstration projects, pilot projects
 - potential industrial partners
 - potential funding sources
 - proposed supporting actions (e.g. lobbying, influence on strategic documents)

16.30-16.45 **COFFEE BREAK**

18.00-19.00 Meeting of Members interested in creation of the ENVITECH-Net Environmental Technologies research potential database – *Marcin Kelm*, ENVITECH-Net Co-ordination Office

19.30-22.00 **DINNER (barbecue in a garden outside the hotel)**

12 JUNE - TUESDAY

BREAKFAST

9.00-11.00 **Presentation and wrap-up of results of the group panel meetings (Panel Moderators, Conference Room, level –1)**

11.00-11.30 *COFFEE BREAK*

11.30-14.30 **General Assembly of Members of the ENVITECH-Net – moderator: *Jan Skowronek*, Network Co-ordinator (Conference Room, level –1)**

- Presentation of the Spanish Member, *Fundacion CARTIF*
- presentation of ENVITECH-Net 2006 activities report,
- presentation of Network Action Plan for 2007,
- report on advancements of the information system on research potential of the Network Members, discussion over its further development and financing from separate sources,
- ENVITECH-Net peer-reviewed publication,
- discussion over organisation of an international scientific conference in 2008 – thematic scope, establishing a Scientific Committee,
- discussion over a strategy for acquiring new international Members,
- presentation of ideas for exhibition of the Network during POLEKO2007 Fairs
- voting over amendments to the Internal Regulations of the Network

14.00-14.20 General issues,

14.20-14.30 Wrap-up and closing of the meeting

14.00-15.30 **DINNER**
